Registration number: LA-89-56

Trade-in car. 1973 Lamborghini Espada project: A sound and original Lamborghini Espada Series 3. The Espada is a special rare car with a total production run of only 1.224. Our Espada was supplied on the 17th April 1973. The Espada has its original 'Verde Metallizzato' finish with a 'Verde Chiaro' interior trim. The engine is running and the bodywork is accident free and bar a few minor spots has no corrosion. The original interior trim is all there. The paintwork is tired and could do with a re-spray. The Espada has American papers with all duties paid. A fantastic base to bring her back to her former glory with not too much effort. Espada's are not often available as a restoration project. This is your ultimate chance to turn this into the perfect Espada! THIS VEHICLE IS IN OUR STORAGE, VIEWING BY APPOINTMENT ONLY.
