Lovely Alfa Romeo Spider 1600. This 2-owner Spider was initially supplied in Holland. It is the popular 1600cc version with a splendid steel dashboard. It has a unique and rare finish for this model of Bronzo Metallico. It has been regularly maintained and driven throughout its life. There are various invoice available for inspection. The last service included a brakes revision and MOT. This Spider remains in an excellent drivers condition. The chrome brightwork is beautiful and the paintwork has a deep shine. The leather interior trim and soft-top have never been replaced and are original. It just needs a little more finesse to bring this car up to being a very attractive Spider again! Please note that this car is being kept at our annex and can only be viewed on appointment.
