We have a very rare Morgan 4/4 Two-Seater on offer. It is one of just 58 series 3 Morgan's ever produced. The series 3 had a short run and was supplied with a 997cc Ford Anglia 4-cylinder, 4-speed, engine. This one is super original and, by-and-large, in an unaltered condition. The nice bodywork has fine body panels. The paintwork is timeworn and no longer in perfect condition. The well-kept interior trim exudes a fantastic patina. The third owner, who bought the car around 1984, kept the car for over 30 years. During this time the brakes were upgraded to series 4 discs and Daytona wire wheels were added. Further features include a soft-top with inset windows and a full tonneau cover. Mechanically the car is sound and in good working order. Recent work undertaken

includes an overhaul of the brakes and carburettors. In short, this is a rare and supremely original Series 3 Morgan!
