Trade-in car. 1964 Maserati Quattroporte 4200 series 1. This car is indeed the most popular and special series 1 Maserati Quattroporte 4200. It is in great shape, nice and straight. A very solid base for full restoration purposes. This car is an original European supplied Quattroporte with Swedish papers. The bodywork is rust-free. Very authentic body panels that are correctly aligned. Mechanically this Maserati has been fully overhauled and runs a treat. The car is more or less complete with a special finish in 'Oro Longchamps' The exterior together with the original red leather interior trim formC a fantastic and rare combination.. The leather is in very good condition. The seats do need re-stuffing. You would be hard pushed to find a better or more interesting restoration project.
