Description

A rare Peugeot 404 Familiale, from first French owner, and even rarer original, never restored condition. Luxury "L" version, distinguished by the glove compartment, separate front seats, folding rear seat, chrome elements in the interior. Body completely, 100% factory paint, measured values between 35 and 60 Mu, virtually no wear, high quality condition. Spotless, interior fabrics protected by seat covers, carpets, rubber mats and seiling fabrics as a new.

Perfect functioned, always by the owner himself, and fully maintained by us, reliable technology. Nicely documented history, with original books and test reports. Regularly used, only by the owner, until March 2015. A unique, original 404 Familiale, higher price range, for purists and connoisseurs that appreciate the exceptional history and value quality.
