
Engelmüller M.V.B.37

Approximate price

USD 209

Location

Currency converted from 185,00 EUR
Final price may vary

Year of manufacture 2020

Description

Von Brauchitsch won three Grand Prix races, but it was his first win, in Monaco in 1937, that set a speed record that would stand for 18 years. The legacy of his gloves survives to this day. They are universal style gloves made from olive-coloured mochetto, the most luxurious cowhide leather available.
