Classic Driver

We are truly honoured that Tom Kristensen, the most successful sports-car driver in motorsport history, will be joining us for tonight's instalment of Classic Driver Live...

Tom Kristensen, aka Mr Le Mans, has won at the Circuit de la Sarthe a record nine times, six of which were scored consecutively from 2000-2005. But even exclusive of his exemplary performances in the French endurance classic, the great Dane's résumé is nothing short of extraordinary, encompassing *six* 12 Hours of Sebring wins, an FIA GT Championship and victory in the inaugural Kinrara Trophy at the Goodwood Revival. Anyone who was fortunate enough to have witnessed Kristensen's storming drive in the latter, piloting Joe Macari's stunning Ferrari 250 GT 'SWB', will attest to his versatility, deftness and judgement behind the wheel. We're honoured that Tom will be joining our host J. Philip Rathgen tonight on Classic Driver Live to chat the Everest that is Le Mans, Audi versus Bentley and Porsche, his favourite teammates and turning his hand to historic racing. You really don't want to miss this one - tune in on [our Instagram channel](#) at 7pm CET/6pm BST.
