Description

Designed for the die-hard automotive enthusiast with the finest leathers, a lightweight construction and made-to-order (MTO) after each purchase by our artisans in Spain. Our MTO manufacturing process takes about 4 weeks, starting from the moment you place your order, when your pair is automatically launched to production. Please note, made-to-order items can not be cancelled or modified after being launched to production.

Colour: Mild Brown, dyed especially for our designs.

Exterior: 100% craft suede with hydrophobic treatment - Origin: Spain.

Interior: 100% alcantara leather - Origin: Spain.

Sole: 100% natural rubber - Origin: Spain.

Collar: reinforced with memory foam for driving comfort.

Blind eyelets: reinforced lace holes with glass fibre, stopping them from wearing away.

Seam free: the shoe's tongue is sewed directly to the vamp, ensuring there are no seams in the shoe's interior.

Sizes available from 39 (EU) up to 48 (EU).
