Trade-in car. Restoration project: In 1963 the Ferrari 330 was followed the 250 GTE up. Our car hails from 1964, making it a very early example (with a colour-codes steel dashboard). This 330 GT comes from the States, the last owner living in Montclair in New Jersey. The car is in running and driving order. The bodywork does require some attention, the apparently original interior trim exudes a lovely patina. It has an original, matching numbers, engine and the registration papers conform the milage. It requires complete and thorough servicing and maintenance as it has not been used recently. It has a special 'Oro' metallic gold finish. This matching numbers and colours Ferrari 330 GT offers a rare and excellent opportunity for restoration! THIS VEHICLE IS IN OUR STORAGE, VIEWING BY APPOINTMENT ONLY.
