Year of manufacture	2002	Condition	Used
Mileage	43 725 mi / 70 369 km	Location	
Gearbox	Automatic	Exterior colour	Other
Lot number	276	Car type	Other

Description

"This car can be viewed in person from 14th to 18th July 2020 at our the auction site, Windsorview Lakes, Datchet, SL3 9HY

The first XJ was launched in 1968 and the designation has been used for successive Jaguar flagship models ever since. The original model was the last Jaguar saloon to have had the input of Sir William Lyons, the company's founder. With the introduction of the X308 generation in 1997 came a switch from the 'XJ6' nomenclature to 'XJ8', reflecting the fact that the X308 cars were powered by a new V8 engine. The exterior styling of the X308 was similar to its predecessor, the X300, with minor refinements such as a change to oval indicator lenses and round fog lights. The major mechanical change was the replacement of both the inline six and V12 engines with new eight-cylinder V8 in either 3.2 litre or 4.0 litre versions and all were automatic.

This superb example of the XJ8 Executive is presented in stunning silver with a full cream leather interior. Upon an inspection of the service history from its time in Japan, we can ascertain that this has a good service history from 2002 until 2017, the car was serviced at regular intervals and comes with an Odometer Verification Certificate. Our vendor states "the car is a joy to drive" and this example has an MoT certificate until April 2021. This luxurious saloon is fitted with air conditioning,

electric seats which are also heated, cruise control and all the original books. A wonderful family saloon, exuding luxury with leather and walnut in abundance, this Jaguar provides the perfect interior for those hankering for quiet and smooth transportation with a touch of style. The health and safety of both our customers and team remains the utmost priority, we are therefore operating to Government guidelines throughout viewing and auction day."
