Description

1988 MERCEDES BENZ 560 SL ROADSTER:

--Diamond Blue with Blue leather interior, Blue carpeting, Blue convertible soft top, Factory hardtop, 125,000 miles, 5.6 Liter V8 engine, Automatic transmission, Well serviced, Long-term ownership.

This 560 SL has been enthusiast owned. It has been kept in excellent cosmetic and mechanical condition. During its most recent ownership, it received a complete repaint, the addition of European front and rear bumpers as well as European headlamps. As most will attest, it is a far cleaner and elegant look as opposed to the USA specification bumpers and sealed beam headlamps. It has always been used in season and thus is excellent structurally and without the rust that is common to these SLs when used as everyday drivers. It is equipped with both tops, a Becker Grand Prix radio and comes with original books, jack and spare wheel.

This 560 SL with classic Mercedes SL Roadster lines is not only good looking, it can be used effortlessly and is, in our estimation, a lot of convertible Summer fun for the money. Oh yes, and when used with the top up or hardtop on, the factory air conditioning works as one would expect from a Mercedes Benz automobile, nice and cold.
