Description

This BMW Z3M Coupe is as good as you are likely to find having covered only 25,000 miles from new with just four owners.

It comes complete with all of its original equipment including; all spare keys, original radio and unopened first aid kit.

Both the interior and exterior are in superb order and show very few signs of aging, the leather in particular is virtually as new and still retains its matt factory finish.

The car will come with a full BMW main dealer service.
