Now on Classic Driver Live - Fabrizio Giugiaro from the Poltu Quatu Classic

Lead

In this particularly special instalment of Classic Driver Live, we'll be transmitting from the Poltu Quatu Classic on the beautiful island of Sardinia. What's more, our guest will be the automotive designer, industrial designer and architect Fabrizio Giugiaro...

The son and business partner of the automotive design wunderkind Giorgetto Giugiaro, Fabrizio Giugiaro will be joining our host JP Rathgen for the next instalment of Classic Driver Live from the [Poltu Quatu Classic in Sardinia](#). A man of many enviable talents, Giugiaro has overseen the design of a wide range of experimental concept cars, served as style-director of his family's non-automotive industrial offshoot Giugiaro Design, and founded his own architectural firm, of which he is the president and creative director. He also happens to be closely involved in the Poltu Quatu Classic, a new event on the island of Sardinia that embodies the beauty and glamour of the 1960s dolce vita era. So, join us tonight from 1900 CET/1800 BST on our Instagram channel for what promises to be an especially memorable conversation. If you can't make it, you'll be able to catch up either on our IGTV channel or right here on this page.
