Gearbox	Automatic	Fuel type	Petrol
Performance	510 PS / 376 kW / 504 BHP	Exterior colour	Grey
Interior type	Leather	Car type	Coupé

Description

With 510 horsepower, the engine is Aston's strongest, chiefly because of a new inlet manifold and new cylinder heads with better inlet-port design. But the torque peak is unchanged at 420 pound-feet. No one will complain because the 5.9-liter V-12 pushes the 3750-pound coupe around with real authority, making some of the world's best automotive sound effects in the process.
