## Which is your favourite decade of Formula 1?

02 August 2020 | Alex Easthope

*The latest fruit to bear from Automobilst's official partnership with Formula 1 is a collection of fabulous posters representing iconic cars from each of the sport's seven decades, from the 1950s to the present day. And the best thing? You can buy them in the Classic Driver Shop...*

Juan Manuel Fangio's Maserati 250F, Jim Clark's Lotus 25, Jackie Stewart's Tyrrell 006, Ayrton Senna's McLaren MP4/4, Nigel Mansell's Williams FW14B, Michael Schumacher's Ferrari F2002 and Lewis Hamilton's Mercedes-AMG W10. It's fair to say Automobilst chose the most definitive cars from their respective decades for its new Formula 1 70th anniversary collection. Each of the eight posters (there's an additional one depicting the Formula 1 car of the future) is available either as a Collector's Edition, limited to 700 pieces each, or a Limited Edition. Of course, you can also buy the entire collection as a set. Head to [the Classic Driver Shop](#) now to pick your favourite poster for your personal motorsports hall of fame before they sell out.
