The exquisite 15-car collection which forms the catalogue for Gooding & Company's Passion of a Lifetime sale will now be offered 'live' on 5 September during the Concours of Elegance at Hampton Court Palace...

### Passion of a Lifetime

Gooding's charismatic auctioneer Charlie Ross will take to the rostrum in the glorious surroundings of Hampton Court Palace on Saturday 5 September, when he conducts the Passion of a Lifetime auction during the prestigious Concours of Elegance. The hotly anticipated sale, Gooding's first on British soil, had been postponed from its original date in April due to the coronavirus pandemic. Ross sadly won't be joined by hundreds of physical bidders 'in the room' (bidding will take place exclusively online or by telephone), but we're sure the buzz around the sensational collection will be no less frenzied. You can read our original story outlining the superb collection consigned by Gooding by clicking [here](#).
