[Sail the ocean of imagination with Gestalten's new nautical book](#)

Lead

'Sailing the Seas' is the latest nautical-themed title from Gestalten, celebrating the sense-assaulting exploration of the world's most awe-inspiring locations by boat...

No greater adventure

Whether it's a short jaunt around the Isle of Wight with friends, a day spent worshipping the sun anchored off Ibiza or a solitary expedition across hundreds of miles of open water, there is no greater adventure than sailing. From the Mediterranean and the coasts of America to far-flung locations such as Thailand and French Polynesia, *Sailing the Seas* by Gestalten presents a fresh take on the world of sailing and perfectly captures the sights, sounds, tastes and experiences that can be had on board. For the intrepid sailors among you, the 256-page hardcover book also includes itineraries and 'Captain's Notes', which serve to inspire your own unforgettable journeys.
