## 1955 Jaguar XK 140 - SE DHC

SE DHC

---

Price	<b>USD 145 213</b> EUR 125 000 (listed)	Drive	LHD
Year of manufacture	1955	Condition	Used
Gearbox	Manual	Location	
		Fuel type	Petrol
		Exterior colour	Other
		Car type	Other

### Description

---

If there is 1 Jaguar XK which has a long term proven reliable rally history, it surely must be this one! My Belgian customer bought this Jaguar XK in the USA some 25 years ago. He selected wisely a very sound, today sought after, XK140 DHC in SE specification benefitting from the performant C-type cylinder head.

Being himself a talented engineer, he prepared this Jaguar himself to actively participate at the classic rally scene in Belgium and Holland. Over the years he also improved his XK by fitting:

- Disc brakes with twin pistons per caliper at the front.
- A full synchromesh gearbox.
- High capacity waterpump.
- Additional electric cooling fan in front of the radiator.
- An alternator
- A high revving starter engine.

This jaguar was campaigned intensively and at a certain point a fully reconditioned replacement engine was fitted. Luckily the matching numbers C-type cylinder head was preserved.

When driving this Jaguar XK, one feels immediately that it has been very well sorted. Nicely balanced and homogene.

The presentation in the original colour Maroon with black leather upholstery, showing a charming patina, is very attractive but not concours.

In conclusion: A drivers car!
