The 1980s called, they want their dirt bikes back

26 September 2020 | Classic Driver

By failing to prepare, you are preparing to fail. When the going gets rough in the coming colder months, ensure you're correctly equipped to reach your destination with one of these ice-cool - and surprisingly affordable - 1980s scramblers from our friends at Ruote da Sogno in Italy...

Our favourite 1980s dirt bikes from the Classic Driver Market
