Description

This 560 SEC is a Swiss delivered example equipped with catalytic converter. After two previous owners this most luxurious Coupé was acquired by the vendor in 2002. The car has covered only 97'000 km and boasts a complete service booklet and numerous other maintenance records dating back to 1993. The 16 inch « Rial » rims are listed in the cars registration. The W126 is fully optioned with leather interior, airconditioning, heated seats, electrically operated windows and sunroof and is in very good overall condition. The most recent Swiss MOT was completed in May 2020.
