Description

This outstanding example of a Rolls Royce Silver Spirit II has to be one of the nicest cars ever, so clean and tidy, it drives exactly how it looks.

First ordered by Reg Vardy Ltd who first owned the car until they sold it to Mr DT. James of Melborha Engineering of Studham in Bedfordshire in 1986.

The order was for the car to be finished in Willow Gold with Dark Olive painted roof and with matching fine coach lines.

The interior is Beige leather with Green piping and dash top. Beige leather roof lining and Cumberland Stone carpets with Green binding, beautiful.

The other extras were a badge bar, side Rolls Royce Motifs to the rear quarters, and White sidewall tyres. All of which is how the car is today. Always serviced by Reg Vardy with 23 of there service stamps in the service book up to 52,000 miles.

A further eight following stamps by known Rolls Royce specialist. The prior to last owner Mr. Owen Taylor purchased the car in October 1991 with 21,000 miles and owned it for 23 years and only having to sell the car-owning to ill health.

During this time he changed the ownership twice in his and companies name. In 2008 Mr. Neil Shakespeare purchased the car with 57,000 miles and only covered 2,000 miles in the 11 years of ownership.

One of the best examples we have had the pleasure of displaying, worth viewing at the earliest opportunity. The car was part of four adverts for Tudor Crisp in 1982
