Chassis number	SCBZB05C8SCH524	Car type	Other
Lot number	464	Engine number	094L410M/TKZ
		Exterior brand colour	Aurora Green

Description

High-performance, limited edition S derived from the Continental R with 385 bhp. One of 21 right-hand drive examples produced out of total production of just 39 worldwide. A recorded mileage of only 32,700 with comprehensive service history to support. Sumptuous specification includes a cocktail cabinet, cut glass decanter and glasses, Burr Walnut picnic tables and video screens. Offering unrivalled luxury, outstanding performance and the cachet of rarity. The Bentley Continental S is a special edition of the Continental R from the model year 1995. It debuted the Garrett Air Research turbocharged, 6.75-litre V8 with liquid-cooled intercooler, which generated 385 bhp at 4100 rpm. This limited edition, performance-oriented Bentley, originally supplied through Bentley Northampton, is one of only twenty-one right-hand drive examples produced out of a total of just thirty-nine. All were offered to established Bentley owners making them highly desirable and conferring major kudos upon the chosen owners, with this example's first custodian allegedly being a Director of Rolex. Finished in Aurora Green and lavishly trimmed in Spruce-piped Parchment hide, the order form clearly had all the boxes ticked with the sumptuous interior boasting Burr Walnut inlays, veneered picnic tables, video screens, cocktail cabinets and even a complimentary fridge. The original tool kit is present together with the Bentley umbrella should it be required to save the whiskey from being watered down in the event of a sudden downpour! Complete with comprehensive service history, handbook pack and numerous invoices, this is very clearly a much loved and cherished Bentley that has covered just 32,700 miles in the last twenty-five years. One of the rarest Continentals to be produced, costing in

excess of 250,000 when new, and in excellent condition throughout. Available today, freshly serviced by Royce Engineering and with a just-issued MOT Certificate valid until 09/11/2021. Offering unrivalled luxury, outstanding performance and the rarity that only the Continental S can offer. 1995 Bentley Continental S <https://youtu.be/7aY06iwzR3g>
