### Description

340hp Cummins ISB diesel engine paired with an Allison MH-25006-speed automatic gearbox Built on a raised rail Freightliner chassis offering pass-through storage and side-hinged baggage doors Their ride suspension and automatic levelling jacks make setting up camp a doddle The 3772 features two opposing slide-out centre sections in the living area Ceramic tile flooring, Corian countertops, a surround-sound system, electric sun visors, 10-gallon water heater and an electric awning with wind sensor There is a very lengthy equipment list - see website Supplied new to our vendor directly from a UK main dealer and has been well maintained New tyres were fitted in 2018 with a full filter and brake service carried out in 2019 This vehicle is VAT qualifying. The guide price shown excludes VAT NB; the illustrated registration number, K60 REY, does not form part of the sale The Damon Astoria is built on a raised rail Freightliner chassis, powered by a 340hp Cummins ISB diesel engine paired with an Allison MH-2500 6-speed automatic gearbox. The raised rail chassis means that there is huge pass-through storage accessed through side-hinged baggage doors to make accessing stowed items easier. The air ride suspension offers a smooth ride and the automatic levelling jacks make setting up 'camp' a doddle. The Pacific Edition includes niceties such as ceramic tile flooring, Corian countertops, a surround-sound system, electric sun visors, 10-gallon water heater, Flexsteel driver and front passenger seats with Nature's Choice simulated leather, an electric awning with wind sensor and last, but not least, a full-length rear mudflap. The model 3772 features two opposing slides in the living area, the street side housing a sofa and Damon's Dream Dinette" which can easily be made into a

guest bed. In the curbside slide are the galley and another sofa that's ideal for viewing LCD TV located at the rear of the living area. Equipment includes: A 100-gallon fuel tank that can be filled from either side of the coach, 95-gallon fresh water holding tank, 51-gallon waste tank, 51-gallon grey waste tank, 29-gallon propane tank, Oven/Stove with 3 burners, Full-size dual-fuel fridge, Washer/dryer, Dual fuel water heater with 10-gallon tank capacity, Automatic heater, Four 6 volt auxiliary batteries, Ceramic tiled floor, 6kw generator, Air conditioning, Oyster 85cm satellite system, Towing equipment. This particular vehicle was supplied new to our vendor directly from a UK main dealer and has been well maintained. New tyres were fitted in 2018 with a full filter and brake service carried out in 2019. This vehicle has been used by a number of famous drivers, the most notable being Mark Webber and Jacques Villeneuve, maybe more importantly it was used by Michael Schumacher for two weeks in Spain and Portugal. Registration number K60 REY is not included in the sale, we expect the vehicle will be returned to its original registration number BX08 ONF. A rent back scheme is possible for 2021 with full motorhome management service and delivery if required. This vehicle is VAT qualifying, the guide shown excludes VAT. 2008 Damon Astoria Pacific Edition 3772
