Description

The rugged day-tripper of the range. Handmade in England from high-performance waterproof Nylon, the Bennett Winch Cargo - Small, is as heavy duty as it is lightweight. Though the 'smallest' of the range, at 50L it holds 8L more than a weekender and is able to pack down to a fraction of the size. Military grade cotton webbing, Tuscan leather trim and solid brass hardware are built for the long haul while a removable waterproof pouch and low-profile external storm pocket keep your valuables away from the elements. Available only in black, so the SAS are welcome to use it.

- Italian high performance waterproof 600 Denier nylon
- Veg-tanned Italian leather trim
