Description

Jaguar Daimler Heritage Trust certificate confirming the original colours to be Silver paint with Moss green leather interior delivered new on 27th February 1973 by Henlys of London to first owner Mr. M R Katz and registered on a private London plate ROY 4L.

Lots of Finnish Historic Vehicle certified and registered. Restored over the previous owner's 27-year ownership, who imported the car from the UK in 1977. Excellent condition mechanically and cosmetically.

Upgraded to MSD ignition, fitted with Moto-Lita steering wheel. Complete interior leather/vinyl/carpet kit fitted, with almost no signs of wear. This is an older restoration and should be enjoyed as a sweet running and driving well, very presentable car.

Lots of recent works include head rebuild. The car is in our Milton Keynes showroom and ready for inspection.
