Description

C-16, UK-supplied, right-hand drive, matching-numbers, 3.2 with just 19,521 miles from new. Finished in a stunning colour combination, Marine Blue metallic paintwork with Marine Blue/Cream leather electric sports seats and Cream carpets. Factory specification includes; limited-slip diff, electrically adjustable sportseats, 8-speaker system with amp, top-tint screen and rear wiper. Accompanied by a comprehensive and detailed history file supporting the mileage, original Porsche book pack with service books and Porsche COA. 20 service entries at main agents or regarded specialist, most recently in June 2020 at 18,738 miles. On offer from a private collection of carefully selected classic cars. Offered here is a beautiful, UK supplied (C-16) 911 3.2 Carrera Sport Coupe first registered on 16th June 1988 and delivered new by British rally champion, Roger Clarks Porsche dealership in Narborough. We can imagine that the first owner would have been rather pleased with their specification choice when taking delivery of this 911 in the spring of 88 ready for summer. This specification included Marine Metallic Blue paintwork and Marine Blue with Cream leather insert electric sports seats. Further options included a G50 5-speed manual gearbox, limited-slip differential, Blaupunkt Toronto radio cassette, rear seat belts, forged alloy wheels, anti-theft device, rear wiper, spoilers, sport shock absorbers, 8-speaker and Amp upgrade, top-tinted screen and sunshine roof. Today this stunning, high-spec 3.2 presents beautifully and has covered just 19,591 miles at the time of cataloguing from new. The metallic blue paintwork has an even finish across the entire car and retains a deep gloss, in fact, the car needs to be seen to appreciate this spectacular

paint colour. The indicated mileage is supported by an extremely detailed and comprehensive history file including the original Porsche service booklet stamped up-to-date. In total there are 20 service entries by either Porsche main agent or regarded specialists. Entries into the service book are supported by paper invoices along with a wealth of other related documents including a Porsche Certificate of Authenticity, old MOT Certificates, invoices for periodic professional detailing, old tax discs etc. all neatly stored in a lovely presentation folder. Accompanying the car is the aforementioned history file, service booklet, spare keys, tyre inflator, tool kit and current MOT valid to 13th October 2021. A private registration number has just been removed from the car with the original registration now applied, the new V5 should be with us by the time of the sale. In summary, this is an opportunity to take ownership of a 3.2 Carrera Sport with a stunning factory specification, low mileage, and maintained correctly to the highest standards. These cars are regarded by many Porsche professionals and enthusiasts as the one to have offering classic Porsche styling, a superb driving experience and relatively basic maintenance requirements.
