## Description

---

Being one of only 3'443 2000 Spiders delivered, this example was first registered in January 1959. About 20 years ago the Touring coachwork was restored. Engine, gearbox and differential received an overhaul between 2004 and 2010. This terrific cabriolet is in very good condition and will certainly be admired wherever it goes. The most recent Veteran MOT dates from June 2018.
