### Description

This wonderful Mk 10, perhaps the coolest of all Jaguar saloons, with a 3.8 litre engine and automatic gearbox was extensively restored in Spain and in 2010 was imported into Switzerland via Germany. In 2015 the vendor acquired the car and the Mk 10 has spent the time since in his considerable collection of classic Jaguars. Coachwork and Interior are in outstanding condition and the car drives impeccably. A photo documentation and sundry receipts dating back to 2010 are available. The last Swiss Veteran MOT dates from August 2016
