Description

This DKW with its 901cc three-cylinder 2 stroke engine, delivering it's unmistakable and unique sound (and smell), was first registered in July 1954. There's no further history on the car until about 20 years ago, when the last owner undertook a complete revision and restoration performed by himself! This unique and rather elegant saloon is equipped with a large folding roof and is in very good condition, with the latest Swiss Veteran MOT having been completed in July 2004.
