### Description

---

This F150 Pick-Up in the desirable Harley-Davidson edition with model year 2006 was first registered in Switzerland on 27th June 2007. Its first owner was none other than Formula One legend Michael Schumacher. The bikes from Milwaukee were one of his great passions and the Ford a very suitable and appropriate means of transport for them. A copy of the original registration bearing the legends name is available. In 2020 the car arrived with its second owner, who in turn sold it to the vendor in 2021. With only two registered owners and a mere 27,000 kilometres driven, the car is fully equipped including a loading ramp to transport the bikes. This F150 is in very good condition. The last MOT was conducted in July 2020, for a Swiss buyer the car will receive a fresh MOT.
