Description

Considered by many to be the most beautiful version of the C1 with the C1 front and the "Stingray" rear. Certainly in this color combination.

Already brought to the Netherlands from the USA in 1991 and partly restored at the time. Equipped with all the features you want to see with this car such as manual gearbox, Wonderbar radio and both a hard top and a soft top.

The driving quality is excellent with the beautiful sound of the V8 engine and the smooth shifting gearbox.
