### Description

---

"Historically, the E-Class is Mercedes-Benz' best-selling model, with more than 13 million sold by 2015. The first E-Class series was originally available as a four-door saloon, five-door estate, two-door coupé and two-door convertible. From 1997 to 2009, the equivalent coupé and convertible were sold under the Mercedes-Benz CLK-Class nameplate; which was actually based on the mechanical underpinnings of the smaller C-Class while borrowing the styling and some powertrains from the E-Class, a trend continued with the C207 E-Class coupé/convertible which was sold parallel to the W212 E-Class saloon and estate models. With the latest incarnation of the E-Class released for the 2017 model year, all body styles share the same W213 platform. The coupé (C207) was first shown at the 2009 Geneva Motor Show, while the convertible (A207) was unveiled at the 2010 North American International Auto Show. This lovely example is presented in Metallic Grey with black leather interior. It comes with a full service history and was last serviced in October 2020. The present owner has just had all four wheels refurbished and shod them with new Pirelli tyres. It boasts satellite navigation, parking distance control front and rear, heated front seats, Xenon active headlights, Bluetooth facility, rear headrests, wind deflector and is presented in extremely good condition throughout. These models are extremely elegant and practical offering open top motoring with all the comforts one would expect with a Mercedes-Benz.
