Description

This classic car is for sale on Catawiki. To have more information or to place a bid click on the "BID NOW" button. .Dodge Charger RT from 1970 in very good condition.

Imported from the USA early in 2017, currently already in registration process in Spain. The vehicle is in perfect overall condition, as it was restored in the USA. Few units currently in Europe.

The car is equipped with a 440 Magnum V8 engine that reaches 375 hp. 4-speed manual transmission. Coupé Hardtop bodywork. Rear-wheel drive. The odometer reads is 56,956 miles, non-verifiable. Hidden headlights. A very spectacular car.

Sheet metal and paintwork in perfect condition, rust-free, with no flaws or dents. The colour is the Orange Go Mango original. The upholstery and interior are in perfect condition, upholstered in brown leather. Mechanically the vehicle runs perfectly.

You can see and collect this vehicle in Ibi (Alicante), Spain.

Offers do not include transport or exportation, unless otherwise stated.
