### Description

Breitling Galactic 32 A71356LA/BE76.

Building on its resolutely technical vocation, Breitling distinguishes itself by its original interpretation of the feminine vision of time. For the brand with the winged B, a ladies' watch must combine performance and elegance, reliability and refinement. The Galactic 32 is a prime example. This feminine and yet sporty timepiece expresses the ultimate in luxury, embodied in its exquisitely crafted dial. As with many Breitling watches, the Galactic 32 is available in a wide variety of metals, dial colours and types of straps and bracelets. Powering this watch is the quartz calibre 71.
