[These 12 utility supercars will make you admit your love for SUVs](#)

Lead

SUVs are our secret passion. Nobody admits it – but deep down in their hearts everybody wants one. And frankly, what could be more comfortable to get you through winter – and any place you'd like to go – than a high-powered utility supercar? Here are our 12 favourites from the Classic Driver Market.

Well specced and strong as bulls – pick your favourite Super SUV
