Final price may vary

Year of manufacture

2020

Description

Designed by Marc Newson. Montblanc M is a platform to express the modernity and style authority of Montblanc. The fluid design, by Marc Newson, speaks to a younger target. Featuring a magnetic cap closure with alignment of cap to barrel (including snap mechanism) as well as an additional 'plateau' magnet for the cap to sit on when writing. Please note this product contains magnets. Before using it, if you have any doubt about its safety, please consult your health care professional.

Ident No. MB117148
