[Land Rover heaven with Bonhams MPH this December](#)

Lead

We have picked out ten tempting Land Rovers to get you through a wet and muddy winter in style. All you need to do is bid on them with Bonhams this December 11th!

Bonhams MPH have some fantastically weird and wonderful Land Rovers up for auction this December, a Gastrowagon, recovery truck and Camel Trophy support vehicle, all star amongst the selection. There's also a 1948 Series 1 80, a 1968 Series IIA and bang up to date, a 2015 Defender 90XS. Which one would you choose to go off-roading with? Just one request, if you buy the Gastrowagon, please invite us round for dinner!
