Vehicle History:

“A unique one-off car created to show what is possible if you push the boundaries of your imagination. With its aluminum body, simple wrap around cockpit with minimal machined aluminum controls, the PS Spyder was light, sure footed and quick. A perfect example of our sports purpose ethos - less really is more.”

This quote is from Paul Steven's website. He has built a real head turner, a driving machine with this vehicle. The current owner was so enthusiastic about the projectile that he took it with him to Germany. Now the unique is again for sale.
