### Description

This Colors of Speed poster depicts an incomparable green Ferrari 250 GTO. Few cars are held in such high regard as the Ferrari 250 GTO: created between 1962-1964 by a team led by Giotto Bizzarrini, each buyer of the 39 produced had to be personally approved by Enzo Ferrari himself, and today, the prestige has only intensified. The Ferrari 250 GTO took part in some of the most famous races in history: the 24 hours of Le Mans, the Targa Florio and the Tour De France Automobile.

Our Colors of Speed collection shows off the most recognizable legends in automotive history, featured in their typical race colors. All posters are created using high quality off-set printing, premium paper, and vibrant color reproduction, which makes them eye-catching in any environment.
