Description

We have waited for months after his season-opening win in Austria and Valtteri Bottas does not disappoint. At the the fourth longest track on the calendar with the slowest and feistiest final part, Valtteri kept his speed and nerves to finally pick up a second win of the season, possibly reigniting his championship challenge.

This Collector's Edition celebrates Mercedes-AMG Petronas F1 Team cars and drivers, proudly parked amidst the proud Russian flag colours. Etched in a special silver emboss is the name of the man of the moment - Valtteri Bottas.
