

CLASSIC DRIVER

[We would love to spend our summer in these private summer houses](https://www.classicdriver.com/en/article/real-estate/we-would-love-spend-our-summer-these-private-summer-houses)

Lead

Even if it currently does not feel that way in snow-covered Central Europe - there will be another summer. So why don't you give yourself something to look forward to and book one of these luxurious holiday hideaways from the Classic Driver Market?

Don't wait until someone else books your dream summer house
