Description

This **1,000-piece limited-edition poster** depicts seven-time F1 Grand Prix winner **Valtteri Bottas'** **car poised for action**. It features Mercedes' team colours and Automobilst's minimalistic aesthetics.

Automobilst has become an Official Licensee with **Mercedes-AMG Petronas Motorsport** to produce a series of limited-edition prints celebrating the team's **six consecutive FIA Formula One World Constructors' and Drivers' Championship titles**, a feat never achieved in Formula One history.

Each print features the 2019 season-winning **Mercedes-AMG F1 W10 EQ Power+** car and was created using our signature technique of digital 3D modelling to achieve a computer-generated image of awe-inspiring quality.
