### Description

One of the most iconic luggage designs of all time is now available with a twist. The RIMOWA Original Cabin Twist in silver & blue is made from high-end anodised aluminium accented with eye-catching colour-matched details such as leather handles, locks and seal. Remarkably robust and surprisingly lightweight, the timeless classic is an unparalleled example of craftsmanship and innovation. Complete with a matching leather luggage tag and designed to fit in most aeroplane overhead bins, this lightweight carry-on suitcase is ideal for a short weekend or business trip.

Includes a complimentary leather luggage tag and sticker set.
