Location

Year of manufacture

2008

Description

Fantastic and original rear wing coming from the 2009 Renault F1 car driven by Fernando Alonso. 100% original and supercool item!!!

The Renault R29 is a Formula One racing car designed by the Renault F1 Team, with which they contested the 2009 Formula One World Championship (originally as ING Renault F1 Team, then, following loss of title sponsorship from the ING Group after "Crashgate", Renault F1 Team). The chassis was designed by Bob Bell, James Allison, Tim Densham and Dirk de Beer with Pat Symonds overseeing the design and production of the car as Executive Director of Engineering and Rob White leading the engine design. The car was driven by Fernando Alonso and Nelson Piquet Jr.
