### Description

VIN: 508 - 020332  
Engine type: 108 N° 021452

Rare van with wooden box, registered in Turin in April 1933, five owners, logbook released in 1961, in the same collection for 18 years.

Box version of the first series of the Balilla, the 508A produced from 1932 to 1934, with 3-speed gearbox.

Petrol blue livery, excellently preserved bodywork, paint in good condition, complete with all the details of the first series, preserved interior. There are also the tools for repairs and the crank for starting.

Mechanically complete, it has been sitting for several years. Has not a valid MOT.

Well preserved box van. It is very well retained considering these kind of vehicles were subjected to heavy use, first to make war and then to rebuild Italy. Supplied with period logbook and plate.

To be collected from the province of Pescara.

NOTE: The vintage wooden barrels that appear in the photos are not included in the hammer price.
