Description

VIN No. IGKGV26K9MF509547
Engine Type: Chevrolet 454 cu in (7.4L) V8

Built in 1991, English documents, imported into Italy in 2012 complete with the necessary documentation for registration. Version with 9 seats on 3 rows of seats. Seventh generation of the Chevrolet/GMC Suburban (1973-1991), a full size SUV produced since 1934. Bodywork in classic two-tone livery in medium grey metallic over burgundy. Top-of-the-line 3500 SLE trim, complete with a third row of seats and separate front and rear air conditioning. Velvet interior in perfect condition in complete burgundy colour – seats, floor carpets, headlining and dashboard. Very well preserved.

Mechanics in good order, car used regularly. 4X4 traction and 3-speed automatic transmission. Top of the range 7.4 litre engine with electronic injection. Historical name in American car manufacturing, produced under various brands and in different world markets. UK-registered car, but with instrumentation in km/h and metric system. It appears that it belonged to the American embassy and was used as a service car. The car must be collected from the province of Pescara.
