TBD Eyewear - Panama Black // Bottle Green

Approximate price

USD 176

Location

Currency converted from 145,00 EUR
Final price may vary

Year of manufacture

2021

Description

Panama Black // Bottle Green €145.00 This collection takes its name from the Panama hat, which is a traditional brimmed straw hat of Ecuadorian origin. Panama sunglasses are reminiscent of the aviators' glasses used in the 1950s, characterized by a drop-shaped blue lens and an amber tortoise acetate frame that gives the right vintage touch to your style.
