The Pizeta di Panarari Zeno Company in Reggio Emilia, manufacturer of motorised bicycles in relatively recent years, powered by 40 cc 2-stroke engines for the models driven by heat engines for the 'Scoiattolo' and 'Cerbiatto' models and an electric motor for the 'Ecosprint' version, all distinguished by the patented elastic fork, which ensured a high level of ride comfort, and the particularity of the cardan transmission. Restored and presumably never used since. A general mechanical check is recommended before use. Equipped with documents.
