Description

Miura - The Lamborghini Icon of the '60s.

One more time, the Miura market is showing evidence of a strong raising value despite this unprecedented time due to Covid-19.

We continue to offer the best service in selecting & presenting or selling on consignment Miura.

We offer several models, with a particular approach shared by many collectors preferring private sale instead of spreading the informations of their car all over the world like some brokers, dealers or auction houses are doing. The bad effect is "to burn" a specific model by non selling it and to leave an indelible trace on the internet !

With our skill and taking the right time, it is obvious to encounter collectors' criterias as we can assist you in selecting the right model matching your expectations according to your budget.

Miura is the sport car that revolutionized the aesthetic criterias due to talented designer Marcello Gandini working at Bertone.

Are you looking for a Concours winner ? restored or unrestored ? selling your Miura ?

We can also lead you to one of the Top marque specialists that can restore the project restoration Miura for you !

Of course, we can also assist you for any kind of Lamborghini model.

We are offering cars OFF MARKET exclusively.

Our Group is covering NORTH AMERICA & EUROPE, feel free to inquire.

No time wasters, thanks
