Pick your summer ride at Noble's upcoming Maastricht sale

Lead
Noble's Interclassics Maastricht Online Auction may not have hundreds of lots, but what is on offer certainly doesn't leave us wanting for more. A Corvette, two iconic Jags, and a trio of MV Agustas will have you glued to your computer on June 24th.

[Noble's latest online auction](#) has us dreaming of forming a post-lockdown biker gang with this trio of glorious MV Agustas. If leather jackets and biker helmets aren't your thing, then the automobiles on offer will be. This sinister 1954 Jaguar XK120 Roadster would make as excellent a chariot as any, and is simply begging to be taken on a classic rally this summer. Otherwise, if looking like a supervillain isn't for you, but you'd still like a convertible, then this 1962 Corvette will have you feeling like a 60s movie star. Finally, this charming 1937 Vauxhall 14/6 Tickford Drophead coupe represents a superb way to get your pre-war fix without braking the bank.
